Housing Associations are non-profit making organisations run by voluntary Committees, providing accommodation and related services. Most provide Government subsidised housing to rent, which is of a similar standard to Council housing. Housing Associations charge 'fair rents' registered by the Rent Officer and these are similar to rents paid by Council Tenants. People on low incomes can apply to the Council for Housing Benefits.

HOUSING ASSOCIATIONS WILL NORMALLY ONLY ACCEPT NOMINATIONS FROM BRACKNELL FOREST BOROUGH COUNCILS HOUSING REGISTER.
